##### Financial Statement

Ms. Shah presented the July 2021 unaudited financial statements prepared by SBA. Ms. Pocock provided a brief review of the new format and reminded the committee that the financials now show the market value of the assets rather than the book value. The format of the financial statements is now consistent across all of the City's pension plans.

##### Invoices for Approval

Ms. Shah presented the September invoices for approval.

**Following a complete review of the disbursements, a motion was made by Mr. Boyd and seconded by Mr. Norman to approve the invoices in the packet for the meeting date of September 16, 2021. The motion carried unanimously and the invoices were approved.**

**V. ATTORNEY'S REPORT**

Mr. Christie did not have anything to present.

Mr. Emerson stated he and Mr. Christie are reviewing the Fiduciary Liability Insurance quote which should be approved by the Investment Board next week. Coverage will be effective immediately following the Investment Board's approval and there will be no lapse in coverage.

**VI. NEW BUSINESS**

Ms. Shah gave an update on overpayments of recently deceased participants. This situation usually occurs when SBA receives a call about a death from a relative, the participant is reported as deceased as part of the weekly death audit or the City notifies SBA of a death. SBA will stop that month's payment from being made if notified by about the 21<sup>st</sup> of the month. In any case, there will either be an overpayment or an underpayment situation since the pension benefit is only due for the number of days the retiree was alive in that month. For overpayments, SBA will send three letters trying to recoup the money. Mr. Emerson stated that in these cases sending three letters is reasonable and satisfies the Plan's fiduciary responsibility, provided that the letters are being sent to a reliable address. Sending a fourth legal letter would be the next step, but it should be ensured that the overpayment is large enough to justify the expense of sending the additional letter. Ms. Shah mentioned that this had just been discussed in the Fire Fighters' Committee meeting and that the Fire Committee is in favor of not prorating the payment in the month of death, which would eliminate regular overpayments in the month of death. Mr. Emerson clarified that benefits would be paid through the month of death and then stopped the first day of the following month. There was consensus among the Committee that the payment for the month of death should not be prorated; however it was acknowledged that making this change would require the support of the General Committee as well.

**VII. OLD BUSINESS**

William Goss

Chairman Light expressed that he has received many calls from William Goss and his attorney asking about the disability application process and the status of his disability application. Ms. Atli explained that SBA has been in communication with Mr. Goss since February and that his application was received in early August. There was an administrative delay in setting up his Independent Medical Exam due to a miscommunication with the doctor's office. This issue has been resolved and an appointment has been scheduled for next week. Chairman Light requested that the disability process be provided to employees in writing. Ms. Atli confirmed that the process would be provided in writing going forward.

**City of Atlanta Police Officers'  
Defined Benefit Pension  
Administrative Committee Meeting Minutes  
September 16, 2021**

Anthony Hill

Chairman Light asked that Anthony Hill remain under Old Business until his situation is resolved. He reiterated his question brought up in a prior Committee meeting about service and pay for Corrections Officers who come over to the Police Department. The question is whether their service under Corrections applies toward their pay grade when they transfer to the Police Department. Mr. Balla stated that it is an administrative question that should be brought up during onboarding when someone is transferring into the Police Department. Ms. Shah agreed to send Mr. Hill's pay history to Ms. Carr and Mr. Balla for review.

Changes to 520 program

Mr. Boyd mentioned that the charter to the 520 program may be changing and requested that time be set up with SBA and the legal team to review the proposed changes. He also requested that any changes be incorporated into the SPD that is currently in progress.
