CITY OF ATLANTA

POLICE OFFICERS' PENSION FUND ADMINISTRATION COMMITTEE

Active Police Officers' Pension Representative - Candidates Brief Bio

CLINT MYERS

I have proudly served with the Atlanta Police Department since 2006 and currently hold the rank of Lieutenant, serving as Chief of Staff to the Chief Administrative Officer. In this capacity, I oversee a broad range of administrative, operational, and fiscal functions that directly impact personnel and departmental efficiency. I currently serve on the City of Atlanta Pension Board, where I have gained valuable experience in reviewing disability retirement cases and understanding the complexities of pension governance.

In addition, I am a Certified Retirement Plan Fiduciary through the Georgia Association of Public Pension Trustees, which reinforces my commitment to sound fiduciary practices and accountability. Combined with nearly two decades of service and advanced leadership training, I am well prepared to provide knowledgeable and principled representation on the committee.

I seek this opportunity to continue serving my fellow officers by ensuring fairness, transparency, and diligence in decisions that safeguard the benefits our officers have earned. I would be honored to have your support in this election.

ARMANDO SILVA II

I am currently a unit commander in Zone 5 working on the overnight (morning watch) shift. I was assigned to this position on Thanksgiving 2024. Prior to this position I was serving as the administrative sergeant at the training academy, which included onboarding and handling the police recruit new hires. I have been with this department for approximately 20 years now. Concurrently while working here at APD, I served 21 years with the United States Marine Corps. Service and leadership go hand in hand for me. In the military, one of my roles was a career planner which included explaining benefits and retirement planning for the Marines. I carried over this mentality to APD and have been promoting officer literacy and financial wellness at every opportunity. I would love to be a part of making sure the officers in the APD pension fund are cared for by a steward that is passionate about it and personally invested (as I am a member of it too). Thank you for your consideration for this position.
